H.C.R. No. 24

CONCURRENT RESOLUTION

1 WHEREAS, The Northeast Texas Trail is a 130-mile-long
2 converted rail corridor, stretching from Farmersville through 19
3 rural towns and 7 counties to New Boston; and

4 WHEREAS, Since 2012, the Northeast Texas Trail Coalition has
5 advocated for turning this previously unused land into a
6 comprehensive system of parks, paths, and protected natural areas;
7 under the group's vision, the NETT will be the longest pedestrian,
8 bicycle, and equestrian trail in Texas, and it will link population
9 centers, public facilities, and neighborhoods across the region;
10 and

11 WHEREAS, The construction of the NETT is expected to help
12 revitalize the communities along the trail's route, many of which
13 are severely disadvantaged; according to a 2014 economic impact
14 assessment, the project is a low-cost investment that will create
15 jobs, increase tourism, conserve valuable land, and bolster
16 property values; furthermore, studies show that when citizens have
17 access to safe and well-maintained outdoor spaces that can be used
18 for recreation, relaxation, and exercise, their overall quality of

1 RESOLVED, That the 86th Legislature of the State of Texas
2 hereby request the lieutenant governor and the speaker of the House
3 of Representatives to direct the appropriate house and senate
4 committees to conduct an interim study regarding the feasibility of
5 integrating the Northeast Texas Trail into the state park system;
6 and, be it further

7 RESOLVED, That the studies identify next steps in planning
8 and changes required in state statutes, agency administrative
9 rules, and local ordinances, and that the committees consider in
10 their studies management and governance issues and coordination, as
11 well as the initial and ongoing resources needed to fully
12 incorporate the NETT into the state park system; and, be it further

13 RESOLVED, That the committees submit full reports, including
14 findings and recommendations, to the 87th Legislature no later than
15 December 31, 2020.
